

CORONAVIRUS AND MEDICAL FORENSIC EXAM SERVICES—ACASA GUIDANCE

- ADDITIONAL INFORMATION**
- ◇ The RCC may choose to have stricter protocols but should not have more lenient protocols when providing services, e.g. taking a survivor's/visitor's temperature.
 - ◇ ACASA strongly urges independent forensic testing facilities to only admit essential personnel (SANE/client) into the medical exam room. T
 - ◇ It is the recommendation of IAFN advocates should not be admitted to the exam room during the COVID-19 pandemic.
 - ◇ Additional information may be found in ACASA's document, *Coronavirus and the MFE, rev 4.15.20*
